On the Retail Trail

Discover all your wants and needs here

For a shopping trip that will keep you amazed, amused and even fed, head to **Miracle Mile Shops**. Be amazed at the variety of goods you'll discover in this marketplace, from fine jewelry to costume kitsch, high-end heels to sweet sneakers and designer togs to casual wear.

Some of the stores you'll find are Desigual, with trendy, colorful womenswear; H&M, where if you can imagine it, you'll probably find it; Lucky Brand Jeans; Yves Chantre Paris, for luxury skincare and makeup; LUSH Fresh Handmade Cosmetics, which features some of the best bath bombs ever; LIDS, for top-notch headgear; and Aldo, to put those tootsies in some terrific trappings. Quiksilver, Karma and Luck, Pandora,

Kay Jewelers and Swarovski will let you drape yourself as you see fit.

The sports fan will find many options to show pride here—Tervis features cups with a huge array of team logos; The Raider Image showcases products that star Vegas' pro football team, which played this year in the new Allegiant Stadium; and TriStar Sports & Celebrity Memorabilia will bring out the treasure hunter in you. And speaking of treasure hunter, there are several cool galleries here, such as Richard Marc Gallery, Royal Gallery and Wyland Galleries.

On your journey, be amused by the huge fountain, which changes colors frequently, and an indoor rainstorm, which pours down into a pool

several times a day. Combine that amazement and amusement at Houdini's magic shop.

After all that activity you're sure to have worked up an appetite, and there are many good places to indulge here. Cabo Wabo Cantina features Sammy Hagar's take on Mexican cuisine. PBR Rockbar has casual American dishes. Nacho Daddy even makes a killer vegan chicken nacho plate (tough to share this one), and Chosun Hwaro and Nara Teppan has excellent Korean barbecue. Pampas will give you a lot of rotisserie meats and flavorful sides to fill that belly.

So carry on, and best of luck on your expedition for great deals! —Nino King
