## Purchase Power

*Retail destination offers top brands, specialty shops and dining*

Beat the heat. Bring your wallet. Buy, buy and buy. **Miracle Mile Shops** provides guests an indoor, cooled-down environment of more than a mile of stylish brands with the latest fashions. And rest assured, the shopping complex is taking great care in keeping guests safe during the ongoing pandemic. Masks are required in all public spaces; hand-sanitizing units are stationed throughout; high-touch points receive regular cleaning and disinfecting; social distancing is practiced; and touchless experiences are being added.

With safety ensured, begin your spending adventure, or even just some great window-shopping, through fashion brands that includes head-to-toe clothing from H&M, White House | Black Market, GUESS, Urban Outfitters, Mimi Mango, U.S. Polo Association, Marshall Rousso and One

Monarchy Men's. To complement and complete your look, accessory brands include Swarovski, Francesca's, Pandora, Fossil and Sunglass Hut. Shoe brands range from Steve Madden and Aldo to Skechers, Journeys and Footaction (for you sneaker heads out there).

Browse through skincare and makeup shops that include luxury cosmetics brand Yves Chante Paris, makeup and fragrance mecca Sephora and playful body-care brand Lush Fresh Handmade Cosmetics. For style specialty shops, there are women's plus-size brand Jolie, edgy brand Club Tattoo and made-for-Vegas outfitts at Vie Sauvage. Find specialty gifts for yourself or to take back home at stores like bohemian Karma Luck, quirky and edgy Attic Salt, both kid-and-adult friendly Houdini's Magic Shop and souvenir shop Vegas, The Store.

If you're just coming in from the heat and want to cool down while beginning your browsing, get an ice cream cone at Ben & Jerry's, fruit smoothie from Jamba Juice or an iced coffee from The Coffee Bean & Tea Leaf. To take a break from your spending spree and settle in for a tasty sit-down meal, choose from rocker Sammy Hagar's own Mexican joint Cabo Wabo Cantina, Southern eats at PBR Rock Bar & Grill, local's favorite Buffalo Wild Wings, Ocean One, Flights and some awesome nachos (even vegan recipes) at Nacho Daddy. Quick bites include Panda Express, Sbarro, Subway and Chipotle.

Specialty foods includes raw cookie dough bar Dough, Hot N Juicy Crawfish, Lobster Me and Nestlé Tollhouse Café. A mile of miracle shopping and dining, indeed! —Kiko Miyosato
